Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Monday 19 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, sunny and very warm, locally hot inland.

Today:
A mainly dry day with long periods of sunshine once any early cloud burns back to the coast. Low chance of isolated heavy showers in the afternoon, mainly in the west. Very warm or hot inland, cooler near coasts. Maximum temperature 32 deg C (90 deg F).

Tonight:
Staying dry after dusk with clear skies across the region, with these continuing into the early hours of Tuesday. A very mild night. Minimum temperature 16 deg C (61 deg F).

Tuesday:
A mainly dry day on Tuesday, with long periods of sunshine. Isolated heavy showers may develop during the afternoon, mainly in the west. Very warm or locally hot. Maximum temperature 30 deg C (86 deg F).

Outlook for Wednesday to Friday:
Mainly dry again Wednesday and Thursday with long spells of sunshine, possible afternoon showers mainly in west. Dry Friday with occasionally hazy sunshine. Warm or very warm throughout.
